

## ★ ★ Desserts Menu ★ ★

Our Cakes, Tarts, Best of Philly Brownies, Cookies and other desserts are sure to satisfy any sweet tooth. A Night Kitchen dessert is the ultimate bite of deliciousness that your family and friends will always remember. We make our pies dough with 100 % butter, no trans-fats, for a crispier pie crust. Our puddings include Chocolate Pudding with whipped cream, Cinnamon Rice Pudding and Key Lime with meringue. Both tarts and pies should be eaten at room temperature or warm and are terrific with ice cream! The only exceptions to this rule are the Key Lime Pie and summer Fresh Fruit Tarts which should be eaten chilled.
